Foreword . . .

It was in 1917, even before Sherman High School was moved to what is now Piner Junior High, that the first *ATHENIAN* was issued.

At that time Sherman was known as the "Athens of North Texas." Four colleges were in operation then, as well as an opera house, the center of many cultural activities. Our community was widely known for its educational, cultural, and architectural achievements and was called the "Athens of North Texas" because it was in the Grecian city of Athens that art, culture, and higher education had their beginnings.

For this very reason, because Sherman was a popular cultural center, the first volume of our yearbook was entitled the *ATHENIAN*.

If in this, the fifty-second volume of the *ATHENIAN*, we can bring to you a greater appreciation of the history of our yearbook, as well as capture the memories of this past year, we will have accomplished our purpose. With that, we present to you a volume of history, the 1968-1969 *ATHENIAN*.

Cissie,

~~too~~ It's been
fun knowing you
and I hope I'll
see you some in
the years to come
Keep gettin' drunk
but next time don't
get caught. DON'T
mix beer and hard-stuff.

DEDICATION

You have been a true friend to us. But more than a friend, you have helped us, in particular, on the yearbook, and many other students through your classes. You have overlooked our forgetfulness, our carelessness, and our inconsideration. You have pushed us farther along the road to maturity. Your

calm resolution and your perspective of life have taken away our anger and substituted understanding. How can we say thank you to a woman who has done all this? We could have offered you a gift, presented you with money, but that is too meaningless for you. Instead, we chose to work many long hours to produce this yearbook for you. The 1969 *ATHENIAN* is the only tangible, embodying the intangible—our admiration. Therefore, we dedicate our yearbook to you, Mrs. Head.

As we approach the end of another school year, our hearts are filled with mixed emotions of sadness and gladness; sadness at concluding a phase of our life that has been happy, carefree and relatively free of responsibilities; gladness at approaching adulthood with all of the enthusiasm of youth in its optimism, vigor and joy of living.

This is a time for each of us to evaluate what we have done and what we wish to do in the future. Real success can come only if we assume our responsibilities to God, country and our fellow men. Let all of your wishes for the future include plans for these responsibilities.

There was nothing that added excitement to the Bearcat games like the sound and sparkle of the band, the roar when Billy Bob came onto the field with his keepers, the swirl and flare of the flags, and the gleam of batons.

Thanks go to these spirit boosters.

*Cissie,
you'll never know how much you
mean to me. I can't believe I've
only known you 9 mo. It seems
we've known each other
just think of all the crying
we'd've done last year
only known each other!
Cissie I can tell you as many
things I'd never tell anyone else
It means a lot to have a friend
that you know would do any
thing in the world for you and
vice - versa. We've had some pretty hard
times this year but they're got to be better.*

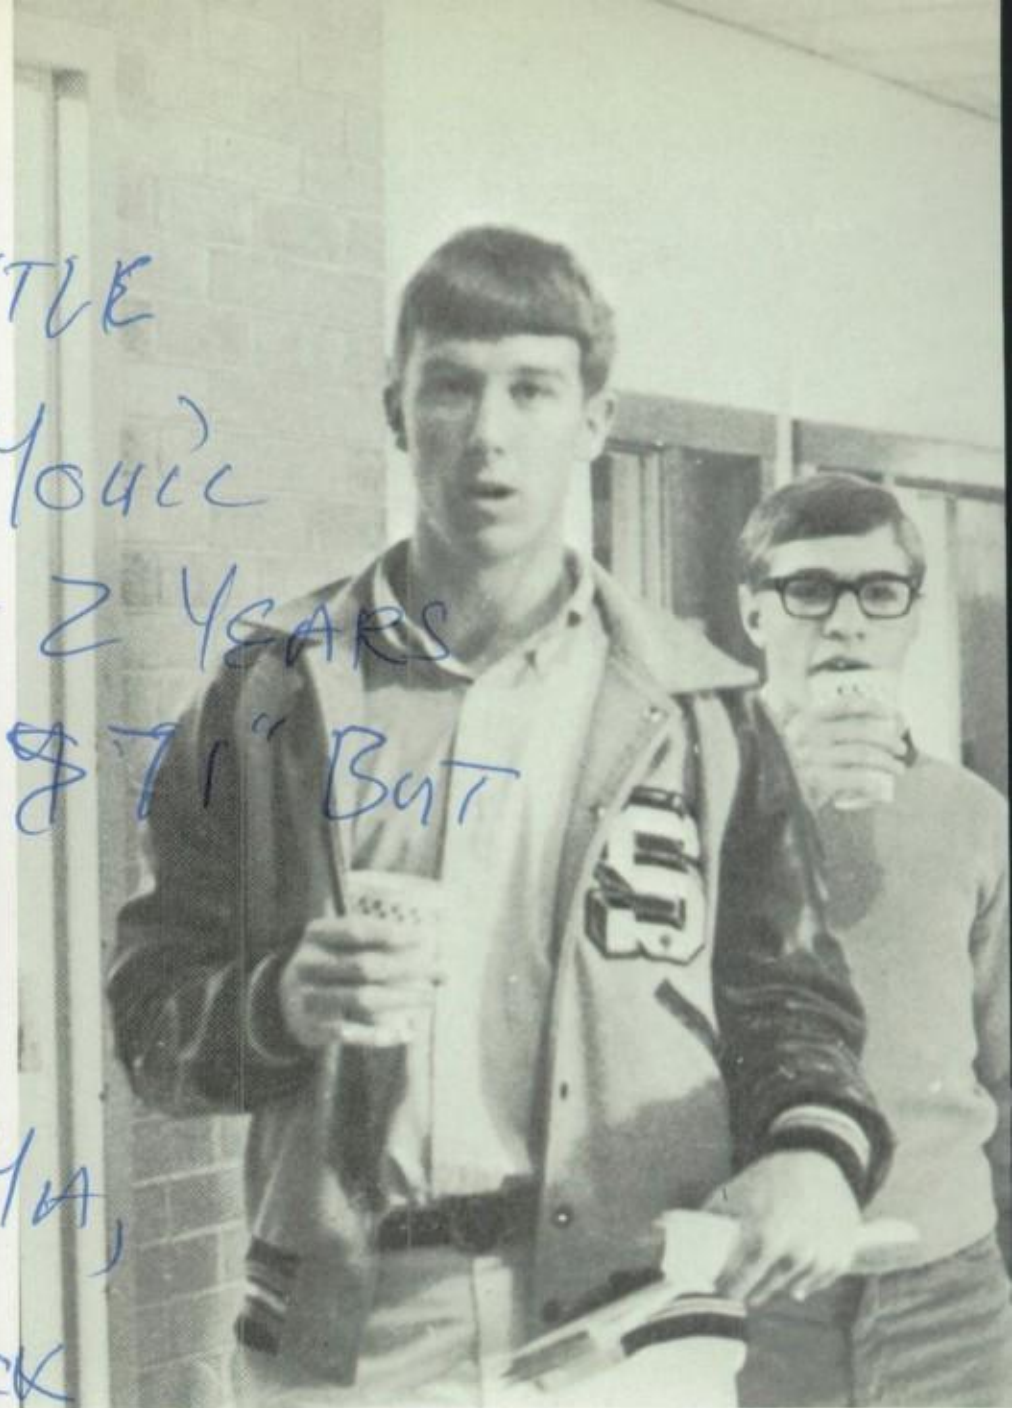

We'll Make It Yet

*I can't put into words
how much I care for your friendship. I know
we'll always be friends forever and I
wish you all the luck in the world with
our secrets - Love,
Bessie*

CISSIE,
 TO A GREAT LITTLE
 GAL (SOPHMORE). YOU'LL
 ENJOY THE NEXT 2 YEARS
 GOOD LUCK IN \$71" BUT
 REMEMBER "69"

LOVE YA,
 DICK
 (HOOK)

Cissie,
Well, were almost not little baby Sophs.
huh? We've had some pretty good ol' talks—
esp. at lunch on walks;— you've got alot of
everything going for you. Just don't let
things get you down so much & you'll be
alot happier. I hate to see you frown— so
keep up the smile & you'll be the greatest. I
mean that Cissie. We've had alot of hard
times but I hope we'll come out on top.
I hope you get what you want— get
~~up~~ after it & keep after it & I know
you will. GOOD LUCK WIT IT ALL—
Have lots of fun and love.

AFTER

As the school year 1968-1969 comes to a close, we hope that we have portrayed the story of this year within these pages. Our goal has been accomplished if you receive as much enjoyment by reminiscing as we have by piecing this story together.

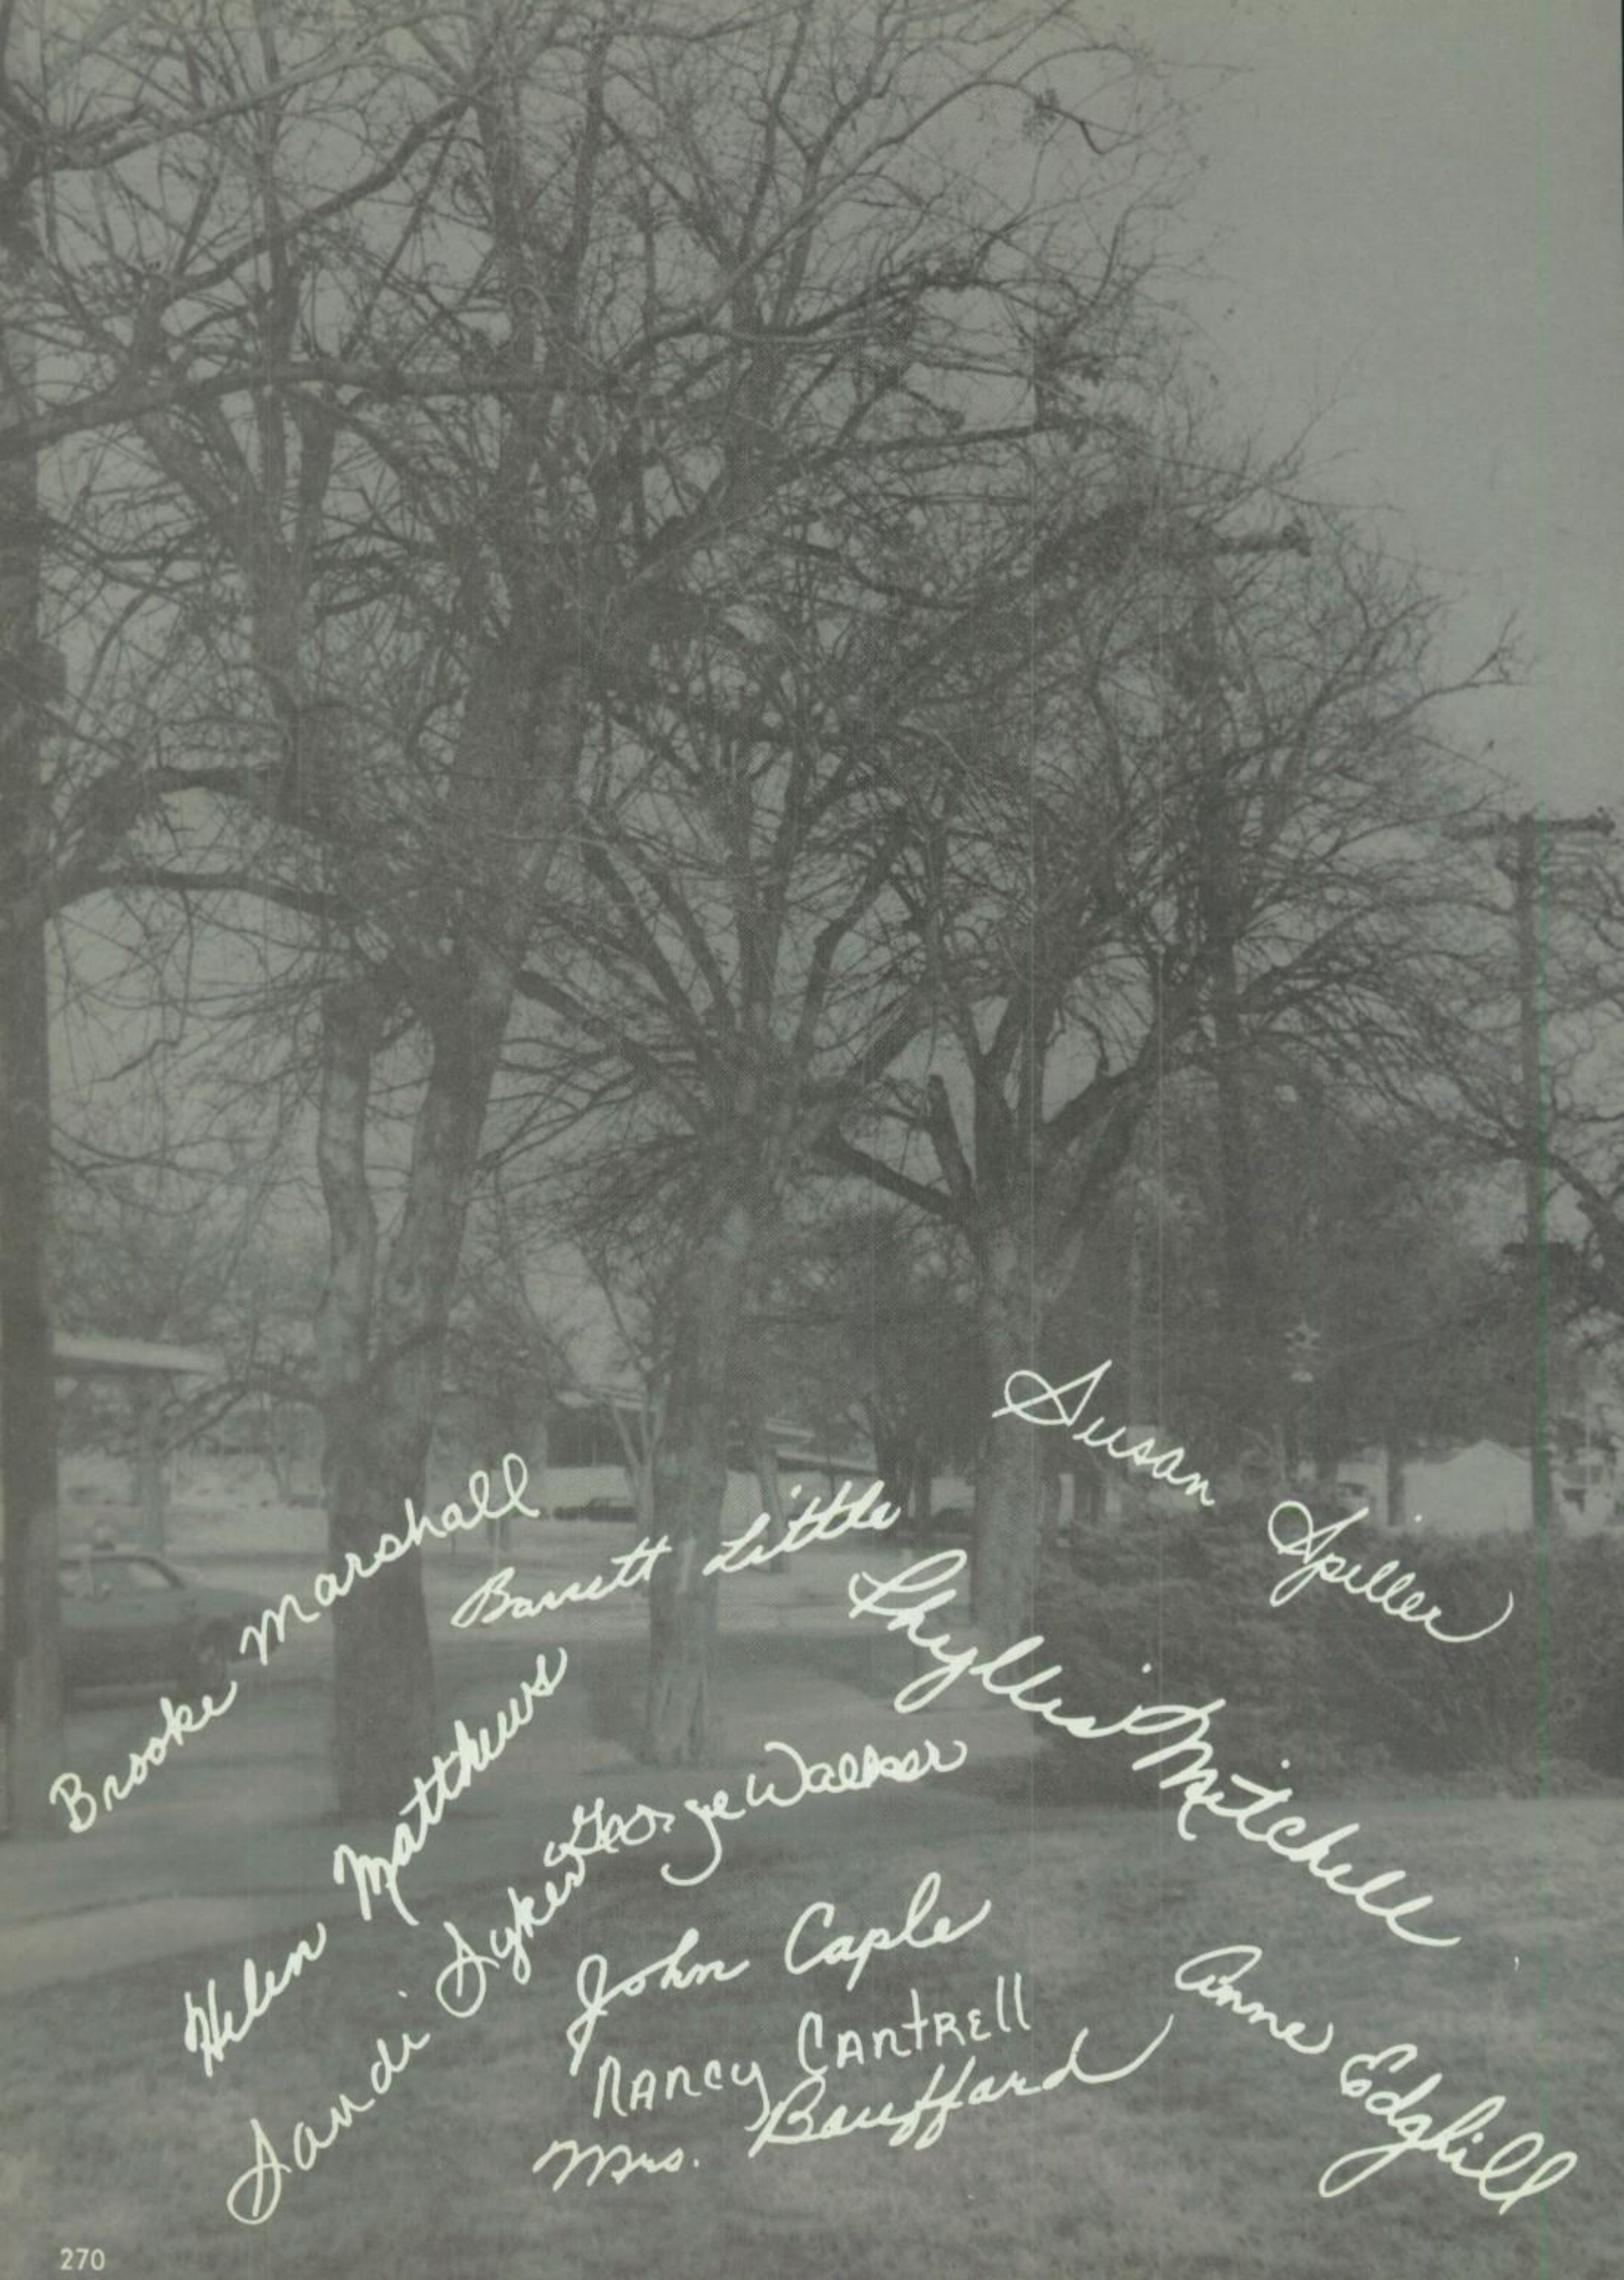

Our lives have been molded in the years we have spent in Sherman High School. We have grown in mind and in body. We have witnessed victory and defeat. We have made all-in-

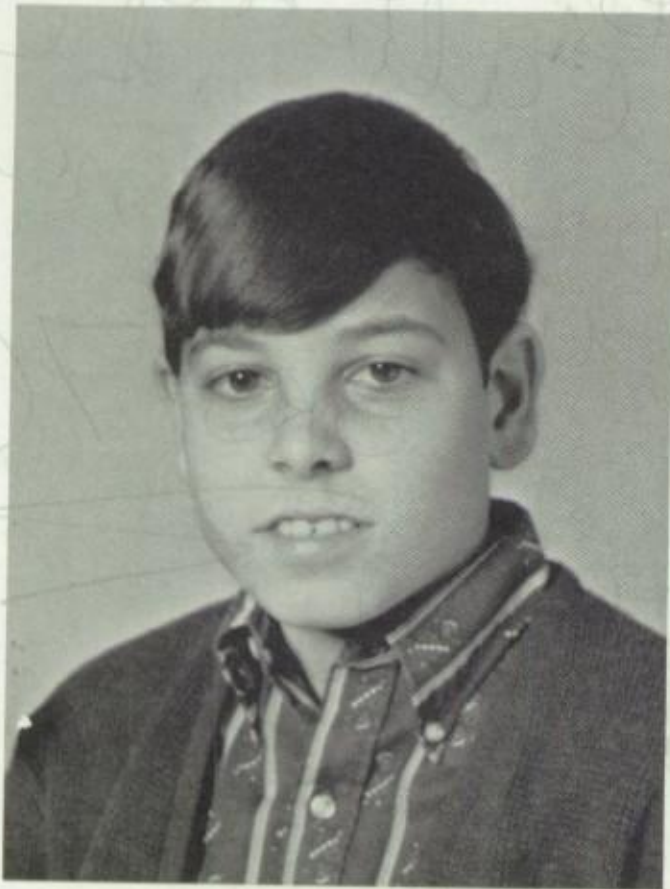

WORD . . .

Important decisions concerning our futures. Through the untiring effort of our teachers, we are alert and aware of our responsibilities in our tomorrows.

With these pages we have given you a record of life in our high school. We hope it will bring back many happy moments.

IN MEMORIAM

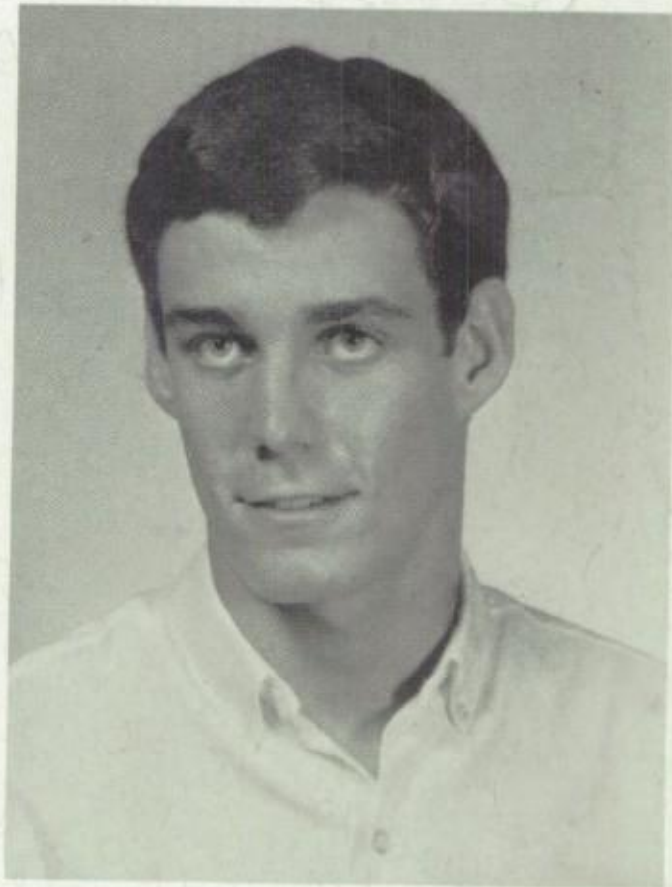

MARK CARVER
January 24, 1953—March 28, 1969

If you would indeed behold the spirit of death,
open your heart wide unto the body of life.
For life and death are one, even as the river and
sea are one.

In the depth of your hopes and desires lies your
silent knowledge of the beyond;
And like seeds dreaming beneath the snow your
heart dreams of spring.

Trust the dreams, for in them is hidden the
gate to eternity.
